

ROBINSON RANCHERIA MATTRESS ROUND-UP

ATTENTION ROBINSON RANCHERIA HOUSEHOLDS!!

- Do you have an old mattress to get rid of?
- Do you want to avoid illegally dumping it or paying to take it to the transfer station?
- If so, please bring your old mattresses to a free Mattress Recycling Event!

More than 50,000 mattresses are discarded every day in the U.S. It takes 50-100 years for a mattress to decompose in a landfill. Don't dump your mattresses... They can be recycled! Soft layers are separated and compressed, and wood and metal is extracted and re-used or recycled.

WHAT YOU NEED TO DO:

- Contact Robinson Tribal Office (275-0527) or EPA Office (275-0205) to take your mattress away
- Tribal Members in Upper Lake, Nice, Lucerne, Lakeport, or Kelseyville – Call the Tribal Office (275-0527) to schedule a pickup.
- Or, take your mattress to Robinson Maintenance (adobe) building
- Unlimited number of mattresses accepted!!
- **ALL MATTRESSES MUST BE COLLECTED BY THURSDAY APRIL 22, 2021**
- Mattresses must be dry and mostly clean. See the list below for items that are not eligible for this event.

Last day to collect mattresses is
**Thursday April 22,
2021!**

Special thanks to Big Valley
Rancheria EPA and Cal-Recycle
for sponsoring the event!
